

PhD Finishing Fellowships

Name: _____ Email: _____ Date: _____

Major Advisor: _____ Advisor's Approval: _____
Signature

Fellowship is for which semester/year? _____ Spring, 20____ _____ Fall, 20____

Criteria for evaluations of graduate students applying for finishing fellowships:

1) _____ Years

Number of years that the PhD student has been supported by external research grant (through the BRC – alternatively a weighting that gives preference to those supported on BRC sponsored grants) that generated overhead income. (*The numeric value of years supported enters directly into the score*)

2) _____ GPA

GPA from graduate level courses taken at MTU. (*The numeric value of GPA enters directly into the score*)

3) Number of publications by the PhD student resulting from work at MTU:

- a. _____ Number of First author peer-reviewed publications. (*Number of papers X impact factor X2*)
- b. _____ Number of Co-author in peer-reviewed publications. (*Number of papers X impact factor*)
- c. _____ Number of First author in non peer-reviewed publications. (*X 1*)
- d. _____ Number of Co-author in non-peer-reviewed publications. (*X 0.5*)

4) Number of presentations at local, national and international meetings:

- a. _____ Number of Local presentations (1)
- b. _____ Number of National presentations (2)
- c. _____ Number of International presentations (3)

5) Awards from local, national and international scientific competitions:

- a. _____ Number of Local awards (1)
- b. _____ Number of National awards (2)
- c. _____ Number of International awards (3)

6) Required for the application:

- a. Written assurance attached to the application form from the PhD student advisor that a defense within one semester is feasible/possible.
- b. A statement on match must also be made with source of funding identified*.

*Not required at this time.
